Section 1: Working Hours and Attendance

Nimbus Technologies is a software company headquartered in Pune, India, with offices in Bengaluru and Hyderabad. This handbook applies to all full-time employees. Part-time employees and interns follow a separate policy document issued by the HR team.

Standard working hours are 9:30 am to 6:30 pm, Monday to Friday, including a one-hour lunch break. Employees may choose flexible hours, starting any time between 8:00 am and 11:00 am, as long as they complete 8 working hours each day. Core hours, when every employee must be available for meetings, are 11:00 am to 4:00 pm.

Employees may work from home up to 2 days per week. Working from home on more than 2 days in a week requires written approval from the reporting manager. During the first 3 months of employment, work from home is limited to 1 day per week.

Attendance is recorded through the Nimbus HR portal. Employees must mark attendance before 11:30 am. Three late attendance marks in a single month will be counted as half a day of leave. Employees who are unable to come to work must inform their manager by email or chat before 10:00 am.

Overtime is not paid for employees at grade L4 and above. Employees at grades L1 to L3 who work more than 9 hours in a day receive compensatory time off, which must be used within 30 days. Weekend work must be approved in advance by the department head.
